SELF- INTRODUCTION!

Head Nothing special.
I've already forgotten most of
what I learned at school.

Hair Haven't been to a barber in
10 years. I always cut it myself.
I don't use any hairdressing
products besides shampoo.

Mouth Not very good at talking.
On the other hand, I can freely
blather anything about myself
with people I get along with.

Traits Split personality. Shy.
Bad at directions. Ignorant.
Distrustful. Doesn't easily
believe in things that should
be common sense. On the
other hand, quickly becomes
very trusting once convinced.
I take back the 'I'm a
loner' statement I made
earlier.

Cigarettes About 7, 1 box per day.

Clothes T-shirts during summer,
sweatshirts during winter. As
long as they're comfortable.

Hands Can't hold a pen when I'm in
a bad mood. Honest hands
that end up delaying work.

Body Rather slender. Shoulder width
wide, much smaller than
average. In dire need of exercise.

Legs Not too short. Not too
long? Somewhat knobby.

Shoes I only own 2-3 pairs at
once. Sneakers and
sandals are the best.

I WROTE SOME PERSONAL
INFORMATION ON ASSUMPTION THAT
THE PEOPLE WHO BOUGHT MY COMICS
MUST BE FANS OF SOME SORT.
